PUBLIC WORKS DEPARTMENT

G.O.Ms.No.3203. dated 4-9-1948.

READ:

From the Chief Engineer (Electricity) letter No. 2691 Ad/47-6 dated 22-6-48.

---

ORDER:

In his letter read above, the Chief Engineer (Electricity) has recommended a scale of pay of Rs.140-5-190 for surveyors possessing requisite qualifications and a scale of Rs. ~~80-4~~ 100-5-150 for unqualified surveyors in the Power Development Branch and in the Hydro Electric Surveys of the Electricity Department.

2. It is observed that the qualifications expected for the post of surveyors are not higher than those fixed for supervisors. For possessing a some what similar qualification supervisors II Grade in the Electricity Department are allowed a pay of Rs.100-5-150. The overseers and Supervisors in the P.W.D. are given only 70-2-90-3-120 and 100-5-150-10-250 respectively. Having regard to the nature of work performed by the supervisors ~~in~~ (civil) and surveyors, the scale of Rs.140-5-190 proposed by the Chief Engineer for the surveyors is considered excessive. It is also not ~~x~~ desirable to introduce the Madras city scale of Rs.140-5-150 which contains an element of city cost of living for mofussil posts.

3. After careful consideration His Excellency the Governor of Madras directs that the scale of pay of qualified surveyors in the Power Development Branch and in the Hydro-Electric surveys of the Electricity Department be revised from Rs.100-5-120 to Rs.100-5-150. The ~~xxx~~ surveyors who do not possess the ~~xx~~ requisite qualifications should be allowed only the minimum in the scale. The revised scale of pay now sanctioned will take effect from the date of this order.
